

BAMSS Contracting Inc.

Position: Class 1 Super-B Drivers

Location: Lacombe, AB

BAMSS Contracting Inc. a trucking company specializing in the transportation of bulk liquefied petroleum gases, crude and condensate in Western Canada is looking for Class 1 Drivers.

We are looking for drivers with 5 years of Super B experience. Dangerous goods knowledge and fluid hauling experience is also required.

The ideal candidates should:

- have excellent communication skills
- be flexible to changes in dispatch as conditions dictate (periods of high volumes of work to complete shutdowns)
- ability to use phone for daily communication and messaging with dispatch
- ability to write legibly and accurately on tickets for loads, maintenance records, and safety paperwork
- read maps and follow directions; both written and verbal
- work well in a team environment
- be familiar with electronic log devices (ELDs) and paperless records

BAMSS offers:

- Assigned late model units
- Flexible shifts
- Competitive wages
- Health and Dental benefits and RSP contribution matching

Qualifications:

Minimum 5 years of driving experience with preference for individuals with Super B experience, hauling dangerous goods and fluid products.

Clean Commercial Driver's Abstract required.

Please apply with resume and 5 year commercial driver's abstract.
